

Can you believe a man invented this?

The official drink of girl's night out

Deliciously different – Kalima Hawaiian Hard Creamers and Hard Creamers give you the great taste of natural fruit flavors with just a hint of silky smooth cream – they're like mixed cocktails in a ready-to-drink beverage that has just 5% alcohol.

Or enjoy Sangria!, with the bold fruit and red wine flavors of Spanish sangria, in a refreshing, lightly carbonated, 5% alcohol beverage.

Cheers, ladies!
